I also worked with Janet for many years at Hillcrest but we spent the most time together in Home Health. She taught me a lot about Quality Assurance and Performance Improvement. She will be remembered by a lot of nurses.

Dear Family, I worked with Janet at Hillcrest for many years. She was an exceptional nurse and a wonderful lady. I watched her function in spite of her health problems. She was very bright and always put her patient's needs before her own. I hope that her family will have fond memories of a very special lady. I am sorry for your loss, I know that she will be missed.
