What a wonderful man! Billy Joe was my stepfather and he was always so good to my mom and me. He worked so hard all his life and never complained. If you needed help and you were 500 hundred miles away and his old truck would only go 100 miles, he was on his way to help you and he would get there somehow. He did so much for others, and never asked for anything for himself, and yet he so appreciated any small thing anyone did for him. There wasn't anything he couldn't fix to make it last a little longer. Rest in peace Billy Joe, you will always be loved and in my heart.
