To the family and friends of Carol – thank you for sharing her with all of us whose lives she touched so dearly. So many happy memories I have and will hold close to me forever. Trying to find words to express my thoughts are so hard, as Carol was "One of Kind" but I really think the following says a lot about the friend I had in Carol....
You can shed tears that she is gone, or you can smile because she has lived. You can close your eyes and pray that she'll come back, or you can open your eyes and see all she's left. Your heart can be empty because you can't see her, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday, or you can be happy for tomorrow because of yesterday. You can remember her only that she is gone, or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back. Or you can do what she'd want: smile, open your eyes, love and go on.
You will be greatly missed!

I meet Carol a few times...I know her sister Kathy..She always talked about her, I felt as tho I have known her all my life hearing Mrs Kathy talk about her. Me and my family will keep you all in our prayers, I know that is a tough time of the year to lose a family member. I pray that God will keep his arms embraced around you and cover you with his love and mercy. Love the Riggs family
