Life as we know it has changed. We lost a wonderful friend. The word friend does not truly describe our relationship. You gave so much love, accepted everyone just as they were. Always gave us a loving smile and a hug. In your home everyone was always welcome and treated as a special guest. There were always so many good times. We love you and will always keep you in our hearts and thoughts. You are missed.

I love you grandma. I am so sorry that we don't get to spend more time together. But I know you always thought of us. I will miss you dearly forever and always.

The miles kept us separated, over the years. But our hearts clung together. Sharon was a woman to celebrate life way back then, and today she clings to us in so many good memories. She can never truly leave us. Some people come into our lives and move on, other come into our hearts and stay there forever. Sharon was a sister through marriage, But remains a sister, wife, and friend. She remains in our hearts. Sleep in peace my sister my friend, and wife. Bob Trish, and Smitty Midway Ga.
