I enjoyed many years playing music with Don at the Barber shop on Tuesday evenings. He was a special man with many talents including his guitar playing and singing to complement the music he played. I found that he also provided leadership for many boy scouts and even boxers in their youth. In fact, Don was the boxing coach of a special friend (Joel Spittler) of mine. Joel had many stories of Don's leadership qualities. Don made a large impact on the lives of many youth and even to the end continued his style of sharing leadership qualities with everyone he associated with. Don will certainly be missed!

Virginia and family, Thinking of you at this time and praying that you feel God's arms wrapped around you to comfort you and give reassurance of His love. Don and I conversed quite often over the last several years and I know he's going to be sorely missed. He always had to out-do me with his fancy guitars. I'll certainly miss his calls.
