Tim and Rita, my heart goes out to you on the loss of your mother. I'm thinking of you as you go through this horribly difficult time, hoping you will find comfort in the little things, in the fullness of your mother's life and in the care, concern and love others have for you. My prayers are with you and my thoughts are centered on you as you say goodbye to your beloved mother.

My thoughts and prayers go out to Aunt Jeanette's family. It has been many years since I've seen you all, but I remember you all well, and I have so many good memories. To the family of my sister Jeanette, I have some of the best memories, of my sister as we were growing up together we were very close. Then as we all started having our own families miles started separating us, but Jeanette and her family has stayed and will continue to stay in my heart. I remember the time Nellie and I came to Okla. and spent precious time with our sister and her family, we loved every minute of it. I have good pictures and precious memories. Jeanette is one of God's Angels, and I will never forget my Loving Sister. God be with you all and comfort and strengthen you everyday. Love, Your Aunt Dee, and Uncle Gene
