Doesn't hardly seem real.. only now we have to face the fact that our life will be harder knowing we won't have him here on Earth. Knowing my kids are the people they are because he invested greatly in them tells me his love was spelled T I M E. They each got their granddaddy for 30 years, and 25 years. What an awesome privilege. He was loved, the memories will live in our hearts.

We are truly sorry for your loss. We have had the privilege of knowing Jim for the last 8 years. He was a wonderful, joking, kind, and sincere person. He was the best neighbor in the world. It will not be the same mowing my yard without him giving me a hard time about leaves blowing in his yard, or something silly like that. Our thoughts and prayers are with the family. Sincerely, Chris Groden and family
