We are so sorry to hear about Hannah. We miss her and Jaidyn will always remember the great times they had playing together, the classes they shared at Anderson, their bus rides, getting into trouble together for being out of their seats, the Cheetah Girls party they went to, eating ice cream at Braum's, the birthday parties, the silly telephone calls they made to each other.... God bless you and your family as you go through this very difficult time. We will look forward to seeing Hannah one day in Heaven.
