I will greatly miss talking with Rhonda. What a delight she was, and I know how in love she was with her family and with Special Olympics. Until we meet again, Rhonda... ??

We knew and loved Ronda very much. We enjoyed our association at Explorer Pipeline Company and whenever we saw her away from work. Kelsy would come to see me when she came to Ronda's office. One day, Kelsy presented me with one of her fine works of art. It was framed and put in my office. We will miss Ronda and her cheerful attitude. Our prayers are with the family.
