Adrian Spencer Hardridge Jr, I know some of the angels you are now meeting on the other side at the crossroad of life. they are the Beloved! it is so good to know that you have had love in your life and aspirations for the future. We certainly want to stay a little while longer in the earthy body but you will find that celestial bodies hold great adventure. So now we know the mortal body taken in corruption is raised in glory! "Death has been swallowed up in victory." "There is one glory of the sun, and another glory of the moon, and another glory of the stars; indeed, stars differ from star in glory." For your spiritual body we spend a moment in time with God the Mother steadfast and excelling in the work of the LORD; because your labor is not in vain! 3rd street crew, Fort Smith, Arkansas Mission Edition

I have had many days of hurt and pain in my lifetime, but nothing can compare to losing my Great Grandchild Adrian. He was my heart, soul and my spirit. I Love him with all that is within me, because God gave him to me. You never know how long your love one will be with you so always tell them you love them and show them you do. I was so angry with Father God for allowing this to happen at first but now my angry is ceasing little by little. I know that Adrian loved me and he loved his mother so much. He also had a special love for his little sister; I could see it in his eyes whenever he would look at her. Her mom picked her up from her grandpa and both came over and I can tell that she was looking for Adrian over here. She is only one year old but very smart. Please everyone pray that Father God gives us His peace that is beyond all understanding because we really do need it at this time. God bless and thank you so much.

This alone should give us hope whatever be our plans in knowing that our future lies in His sweet, loving hands.
