I LOVED the pix Carol shared on line of Randy on horses! I always thought if I were to send my horses anywhere for training, it would be to Randy. He was a TRUE 'natural'.

I am sure it isn't proper for the spouse to sign her own husband's guestbook. I hope to see all of you at his Nov. 2, 3 p.m. Memorial Service. We asked for music to be played by JJ Cale and the Eagles so this will not be a church service. Randy prayed often on his knees and God knows that this is a celebration of a man who LOVED his Henretta posse. So please make time to walk down memory lane and laugh a lot between a few tears. Randy chose cremation so we can all focus on the living life of this most wonderful man.

We are so sorry to hear about the passing of Randy. He was always such a kind man with a big smile. I remember going to their ranch when I was little and we would ride horses. My parents loved Randy and Carol so very much. When my parents, Gary and Trisha Donathan, passed away...we knew right away that we wanted Randy as one of the pallbearers. Their friendship meant so much to my parents. Randy would even contact us after my parents passed to check on our family. He will be greatly missed by so many. Our thoughts and prayers are with Carol and family. May God wrap his arms around you all extra tight during this time. Love you all...Robert, Rhiannon Garcia (Mikayla & Kinley) Daryn and Donna Donathan and family
