She was the best sister in the world. Her smile lit up every room. I miss her so much and the memories we shared alongside with my sister Bethany. She gained her wings years ago to this day I wish she was here to see everything I have accomplished. I am now 20 years old. its been 13 years and So much time has passed and to think it was that long makes my heart ache. I wish she was here to witness the person I'm gonna marry and just bought a house with. She would have loved him as if he were her own brother. Because we never had one, lol. I will carry the memory of her with me forever and will honor her name until I reunite with her in heaven. Didi, I miss you and you will forever be in our hearts. Love your baby sister, Olivia
