I am so very sorry to hear of Buck's passing. He was a positive influence to me as a child and was a barrel of fun! Always with the little brown bag of candy in his office desk drawer for the kids when they visited Life Flight, always had a joke, always wanted to play a prank...Christmas presents when we had none...many wonderful memories of Uncle Buck. He was a solid and great friend to my family and we are thankful and blessed to have known him. I am sorry that I can not attend today and my prayers are with the family and friends of such a great man. Uncle Buck – we loved you very, very much and will think of you fondly and often.
