Sorry I heard about this news, and as late as I heard about it as well. Ken and I were classmates at Skelly Jr. High back in the 60's, a great time for us both. I prefer to remember the good times we had and hope all the time since was great for Ken. We didn't stay in touch for a great many years, but I know he was the good person I knew then. I'll miss him and the others that have passed on way too early that I have seen go on, hopefully to a better place. I think we'll see each other again sometime. In fact, I'm almost certain of it. Peace, brother.

Ken – I just learned today that you're gone! My heart is heavy and in shock. It's been a long time since we worked together but I'll always remember that under that rough exterior was a very respectful and gentle man with a kind heart. You always put a smile on my face. You will be missed. Rest in peace and you will never be forgotten.
