Dear Donna, Krista, Troy: We can't imagine a world without Ed. He certainly fought the brave fight against his health adversities. We've been remembering all the wonderful times we all shared together...church, school, the lake, used fireworks and painted rock sales, ski trips and on and on. Please know all of you are in our prayers...and we pray that God will provide the comfort you need today and in the days ahead. Later, if you decide you might need to get away, head south to Texas... we'd love to have you visit...you know you are always welcome. Love, Judy and Larry

Our thoughts and prayers are with Donna and all of Ed's family. Although we didn't know Ed for a long period of time, Jon and I enjoyed the times that we got to spend with Ed on the dock, fishing for those big old catfish on a hot summer day or evening. What a sweet, generous man. He will be missed. Our condolences to Donna and Family, Jon and Ann Martin
