My dearest Uncle Bill, you were one man I can say I truly respected. You were always there for me and the closest I ever had to a Daddy. I have so many memories of you, from the days you called me Janie Bug, to walking me down the aisle at my wedding, to the comfort you gave me when Wanda was leaving us, and lots in between. I am very sad that you are no longer a phone call away, but thrilled you are with the LORD JESUS now. I will miss you so much, but I will see you very soon, for JESUS is coming. Until that time, know that I will think of you often and you will always own a piece of my heart.

Bobble, having you as a grandpa was such an honor and a blessing. I'll never forget the day I locked you outta the house and you had to take the door off the hinges. Or the time you bought me my first softball glove. It makes me sad to think you are not here anymore but I have to remind myself that it's not forever it's just temporary until I see you in the kingdom of heaven. I love you bobble ??

I will miss your wonderful smile, your encouraging words, and your strength of heart. I love you Daddy, I will see you again some day...
