Travis Remington

OCT 3, 1988 - AUG 22, 2011

Travis Lee Remington, 22 passed away August 22, 2011. He was born October 3, 1988 in Tulsa, OK. Travis touched so many people's lives during his short time in this life, more than some do many years his senior. He could light up the room with just his smile. He was very artistic and enjoyed many activities to display his god given talent. Rest in peace my son, keep granny close to you and I will see you soon. We love you with all our hearts. Mom and Lori - I'm Free Don't grieve for me, for now I'm free I'm following the path God has laid you see. I took His hand when I heard him call I turned my back and left it all. I could not stay another day To laugh, to love, to work, to play Tasks left undone must stay that way I found that peace at the close of the day. If my parting has left a void Then fill it with remembered joy. A friendship shared, a laugh, a kiss Oh yes, these things I too will miss. Be not burdened with times of sorrow I wish you the sunshine of tomorrow. My life's been full, I savored much Good friends, good times, a loved one's touch. Perhaps my time seemed all too brief Don't lengthen it now with undue grief. Lift up your hearts and peace to thee God wanted me now, He set me free. -

I wish we had been closer. I remember the good old days at Alternative. I remember one year you came dressed in a uniform for our softball game. You were the only one dressed in one, I think. It was dorky but cute. Brittany Broad and I were talking the other day about how you played ping pong all the time on breaks at school. You were always smiling. You had a way of cheering people up without even trying to. It was just impossible to be sad around you. High school was a rough time for me but you never had anything mean to say to or about me. I appreciate that more than you know. I love & miss you. I'll never forget you. When my time comes I hope to find you somewhere up there so I can give you a big hug. My thoughts are with your family & other friends.

Travis Remington was such a great man. We first meet on the first day of Jr. year. He had the biggest smile on his face he was so so happy to be at Union Alt. Ed. We had so many classes together. He was the only man that I knew that would sit an listen to any one that needed to talk. He would let you cry on his shoulder an try to make you smile. Even if you were crying he would always make you crack a little smile because he was always so happy. The reason I know about this is because he was there for me when some stuff happened with my grandfather our Sr. year. We are going to miss him so much. Trav you were loved by everyone of us from the Union Alt. Ed. I will miss you deeply I love you Trav!!!!!! FLY HIGH TRAVIS!!! Love you always, Kristina Solt AKA "GROOMIE"
