Ermajeon Fowler posted:

My condolences for a family in crisis. Herb and ErmaJean Fowler enjoyed many nights playing cards with Jean and her husband. Thought it's been many, many years ago and all of us have went our separate ways, I know that they would want the family to know that we still cared. ErmaJean has Dementia and probably does not remember all of the fun that these young couples had back in the day. I am writing this for her as she would want you to know that she cared. For family's sake, and as brothers and sisters ... love each other and share the hardships and the happiness ... life is so short.
