OMG Correction— David Lee was the oldest of the Gaynier/Murphy cousins, of which, 15 of us grew up in Texas together. Sorry Michigan cousins. Didn't mean to imply that any of you were older.

What can I say. David Lee was the oldest of the 15 cousins down here in Dallas. Our lives were so intertwined growing up. I always looked up to him and when he moved to Oklahoma, I made it a point to get to his Mom's when he would come into town. There are so very many happy happy memories involving him and the rest of the boys. Loved going to their house as a kid cause there were no girls in their family and they treated me like a little princess. Remember that he always wore a black stetson and I thought he was so handsome in that hat. I am truly blessed to have had him in my family. Even though we didn't talk as often as I would have liked I knew I could always call him and enjoy a long and pleasant conversation full of much teasing and many many laughs. He had such a wonderful sense of humor and love of life. Love you David Lee and will miss you so very much.

I have nothing but fond memories of David Lee. He was larger than life to me as a kid growing up in Dallas. Lisa Gaynier and I had a silly game with a mouse we tormented him with but he was a good sport about it. My prayers and thoughts are with his family. God Bless, Melissa Quirk
