Betty Jo Ables

Bruce Fensler posted:

Several years ago Betty volunteered to help us teach in our children's Awana program at Calvary Baptist Church. I don't know if Betty had worked with children before, but she was a master at it. She loved to help the children as they memorized Bible verses, and the children really loved working with her. She could encourage the kids and push them to do better all at the same time. A very unique ability.
