Aunt Wilma our thoughts and prayers are with you constantly. The Bible says that when we are weak, He is strong. You have depended on Him throughout this whole process and you are an example for us all! I now pray that our Divine Comforter will hold you in His Arms as you take one day at a time forward. Our hearts break with you as we will miss the jokes he sent, the words of love he expressed, and most of all, we will just miss Uncle Ned—the wonderful man he was to all who met him.
