I will always treasure the special relationship and precious memories I had with my Aunt Lucille or "Luke" as I called her. She always stayed in touch with me by phone regardless of where I lived. On my birthdays she always either called or sent me a card. Aunt Luke was a great cook, but her specialty was baking especially pies. She was the best! I will always remember her egg custards and many of them entered the ministry. We all laughed about the one she made with no sugar, but fond memories of her will always be with Ty and me as we think about her delicious pies coming out of the oven when her and Bud lived on Woolworth Street in Houston. Our love and prayers are with you. Cliff and Georgianna Mayton
