God must have needed a very special angel to have called you home so soon. I know Heaven must be a better place now that you are there. I will miss you and I'll always have you in my heart. I loved you so very much. You were the best cousin I could ever have. Christie and Michael, I'll keep you both in my prayers and I'm so sorry for your loss. I'm sure you two made Bill's life worth living and you both made him so happy. We all have a special angel watching over us now.....All my love, Karen

I'm so glad I got to visit with my cousin Billy last year on our way back to AK. He will be missed here on earth but his "Mama", my Grandma and his Great-Grandma Maude Davis, and his Meemaw Pauline were waiting to give him hugs. My thoughts and prayers are sent to Christie & Michael. Michael, I know how it is to lose a father at this age.

Our dear Christie, Michael and Aunt Kay, Our hearts ache for you all. We don't know the reason Bill was taken from you so suddenly but we do know that the Lord is right by your side to see you through this. God's love is far greater than we can ever imagine. If you let Him, He'll give you strength through time to carry on, if you can only turn your grief over to Him. Always know you're in our thoughts and prayers. Our love to all of you, Denny & Connie

Bill was a friend and coworker at Verizon. He was such a generous soul and would put others before himself. He was always willing to do what it took to get the job done and learn new technologies. My heart and prayers go out to his family, especially his wife and son. What a tough burden to bear, but know that he was loved by all who knew him. He will be greatly missed.

Dear Michael, My heart is filled with sadness at your loss. I cannot imagine the pain you feel right now. We will miss Bill so much. He was a wonderful colleague and friend. I have always valued the friendship, kindness and thoughtfulness I have shared with him. I'll never forget how Bill could cheer up his team members with his wit and tasteful parables. Friends like Bill are rare to find these days. With a heavy heart I grieve your loss. It goes without saying that you and your mother are in my thoughts and prayers. Love and regards, Mike Nouraei IT QA Team Lead (worked with Bill at Verizon Business) Currently with Wal-Mart ISD
