I knew a man who once said, "death smiles at us all; all a man can do is smile back." ~From the movie Gladiator I was trying to find something clever to write and for some reason this reminded me exactly of you. Goodbye my friend. You are missed.

Luke, I will really miss you my friend. We worked together for almost two years and it won't be the same around here. I think you were too young to be taken but none of us know when that day will come and we know that better than most. I will always remember you as a brother. Greg Shea
