It was an honor to have known you and to have been your friend. I enjoyed working with you and driving to Oklahoma City with you to test for our Broker's Licenses. I am so sad you have left this world, but I know you are in a better place. May God Bless your family and keep them safe until you meet again.

A fun friend to be with,she enjoyed people , animals, her plants and home. Liked by all, she gave more than anyone will ever know. I wish all good things for Garry and his family.

When I think of Glenda, I think of her laugh, her always smiling face, and how she was always so generous to everyone she knew. She never seemed to meet a stranger; she immediately took each new person in as a long-time friend.

Glenda was one of the kindest people I've ever known and I will miss her so much. She has been a great friend to me and taught me so much. I don't know that she ever realized how much I appreciated her and all the help she was to me. It's such a shame that she won't be here to watch her grandchildren grow up, but I'm quite sure she will be watching over things! For Garry and the girls, just be thankful for the time you had with her and know how much she loved you....she really really did. You were her life. Rest in Peace, dear friend.
