Hi Mom! Been a while since I wrote in here. It's 2018 now. And my life is crap Can't say it any better than that. I lost everything basically my whole in less than a year. It was like a domino effect. Divorce, lost main home (Mark gave it back to the bank) lost my job. And even lost my DR. I've had the most horrible time moving past this. I'm sure your doing great where you are!

I really miss my Mom! With all the things that happened last year! I have to stay strong for my family! Liam being born with Prader Willi. Stephen and Tasha going through their own personal family trials. A friend passing away. Just so many things! No one to talk to about all this has really been hard! I ask that my family and I have a good year for 2014. Things go smoothly. We need a break. I ask for my New Years that me and my Family get a pass to have a drama free year!! And just enjoy each others company and be so Happy!!

Mom, I was justing thinking about you today. I love you! I remember you saying to me "you will always be my baby". You were right about Stephen. You know the baby thing. Chris went back to Missouri. Actually, he got left there. That is where he needed to be. I got the message that you made it! I love you and miss you! Love,Kelley

Hi Mom!! I Love you and miss you so much! I wish you were here. I want someone I could talk to. I am sure you already know about the address book and other things. I need your advice on so many things. I tried to stay in contact with Sherrie but I find it very hard. She is not someone I can trust. And I am a very forgiving person. But I just can't trust her. I left a message on Facebook for Kevin but I didn't get a response. I am sorry about the cat. I should of kept her. That is what you wanted. Much Love.....I know you are having so much fun now. Love,Kelley

I would like to say how sorry I am for your loss. I never got to meet June but unfortunatley circumstances in life happen. I wish the family the peace that will come into their lives eventually. Take it one day at a time. May God look over you and bring the peace and comfort that you need at this time.

May you rest in peace in the eternal kingdom of our savior. You once told me I was a good son-in-law. It has been an honor and a privelege to have served you in that capacity. You and your daughter, my loving wife, have always had one great thing in common, a great loving heart. I bid you a fond farewell until we meet again in the next life, the eternal life that is above and beyond our mere mortal comprehension. I will miss you.
