Rick & Toi, Don Cavin told me of your Mom's passing. I wanted you to know that I was thinking of you, and your family, and that I am sorry for your loss. It sounds like your Momma lived a long full life. She was lucky to have good kids like you. We know some folks from the UMC Church in Broken Arrow. They have been to NW Arkansas to our Mount Sequoyah retreat center here in Fayetteville. Come see us in Arkansas, should you ever need a break from OK. Regards, John & Sheri Altland

Hi, my friend! I am so sorry to hear of Pat's passing. As soon as I heard it, I wanted to pick up a phone and call you, but it has been 35 years since I have seen you, so at least I can communicate through here. You mom was a great lady, we had some awesome times growing up in the neighborhood and she always welcomed me in your home. She is at peace now, this awful disease cannot touch her anymore. I know what you are feeling, my mom passed 3 years ago and there isn't a day that goes by that I don't miss her, but she is in a much better place now. Please know that even though we have lost touch over the years, you are still in my heart as one of my good friends growing up. Hopefully, we can get back in touch. I will pray for strength and recovery through this emotional time for you and your family. Love ya. Dallas
