Norma "Jean" Henry

Sally Morris posted:

I met Norma (Granny) Henry for the first time when her grandson married my niece. I liked her at once. Since that time several years ago our paths have crossed several times. She was always a delight to talk to. She will be missed.

I have had the honor of knowing Norma Jean as my Mother in law for the past 27 years. During all this time we had never exchanged one cross word but have had many good conversations. No man could ask for a finer lady to have as a family member, she may be gone from us but she will never be far from our thoughts. Our prayers are with her always. Until we meet again, so long Norma Jean.
