What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.

Dear Family of April, We have known April since her days at Woodlake Assembly when she worked with our kids on the Bible Quiz Team. What a beautiful Christian and inspiration she was to our daughter, Lara, and son, Lance. We are saddened at her passing, but none of us know how long we are placed on the earth. She is in heaven now.
