I am so sorry Daniel and Casey. I cannot think of anything to say to you, except that we have all been praying for you. If I would have known this would happen I would have never left Oklahoma...I would have stayed and spent so much time with little Ki (yes, that is what I call him). I'm so thankful that I got to hold him and look into his beautiful eyes. I don't know God's plan here...but, the only way that I can look at it right now, is God needed Bobby and Ki together...I just can't think of anything else. I love you all and I want to be there. I am so sorry. We will continue to pray for you all to heal...Fly with the angels sweet baby boy.
