Jan was already serving on the board of directors of Oil Capital Rod and Gun Club when I became a director 10 years ago. Currently she was the club secretary. Jan organized the yearly Christmas basket program our members donate money toward. A veteran's group and a church deliver the food baskets to needy families. Jan always had the list of what food was needed in each basket. She and her late husband were involved in the sport of Cowboy Action Shooting and they represented our club and national conventions. Jan was able to attend her first board meeting in several months last week and she looked so much better than the last time I saw her. She will be missed, but not forgotten. Gary Kruse
