I am so sorry for your loss. Wes was one of my very first bosses in 1968 at Crown Finance—Always a gentleman who loved his family. He was a very good role model. I have often wondered where he was, now I know.

I had the privilege of working with Wes for 4 years at Wells Fargo and have maintained our relationship since. Wes always had a smile on his face, eager to help his friends and clients alike, and had a great sense of humor. I will miss him a great deal. He was taken much too early. Love, Kay
