# Jersie Alexandra Fulsom

MAY 5, 2008 - NOV 1, 2010

Jersie Alexandra Fulsom, 2 years old of Owasso, Oklahoma went to Heaven on November 1, 2010 after battling a rare neurodegenerative disease. The path Jersie was given was an extraordinarily difficult journey, though she smiled her infectious smile until the end. Jersies' time on Earth was short, but the impact she made will be everlasting. For such small hands, she touched so many lives. Her smile would stop time and her laugh would steal your heart. Jersie was a living lesson of how not to take things for granted, and to truly appreciate the small things in life. Although, Jersie is greatly missed and will be forever loved, she is in a better place, free of pain and discomfort. My Jersie Girl, My Love Bug, My Chunky Monkey, Not too long ago, as I saw you struggling and held you in my arms, I told you that if this journey was too hard for you and you were tired of holding on, that it would be okay to let go, that I understood. Mommy loves and misses you very much and can't wait to be with you again. I am longing to touch your skin, smell you, hug you, kiss you, love on you, play with your hair and tuck you in at night. You are my favorite person in this world. I remember the first day i saw Jersie in Staci's office in her cute little pumas. She was so beautiful and filled with joy. I enjoyed visiting her every day and having our "beauty shop" moments on my break. She was Jocques' first older girlfriend. ?? My prayers go up daily for you and your family during this time. Jersie was truly a blessing from God. Remember that she is in heaven dancing and singing with no pain and you will see her again soon. God Bless
