I don't know if you'll remember me, but I used to be your neighbor growing up (Roy and Frances Meek's daughter). I was just looking the Crowe family up online to find out your address so I could determine the address of the house we used to live in there in Owasso when I saw Roy's obituary. I am so sorry for your family's loss. I have fond memories of living next door to you and playing with Lea Ann, that will always be a wonderful part of my childhood. I pray for peace for you all during what I'm sure is a sad and difficult time. Blessings, Anita Taylor
