You were very special to me at one time in our lives and I was proud to have you as my sister-in-law. Times change as do we, but memories live on forever...thank you for my good memories. I still can't believe she is gone. I've known Brenda for 23 1/2 years – since Curtis started working at Saint Francis. We were pregnant at the same time and we'd see Brenda at the PTA functions at Key when Lindsey and Harry were little. I kidded her about the OU doormat she has the weekend before her surgery. She was just a delight – so funny! I will always remember how put together she was – she always looked nice, even if we dropped by on the weekend. Girls – we are thinking of you and will keep her memory in our hearts.

To all of Brenda's girls, your Mom would never have chosen to leave you this early, but I saw her working hard to help you become strong, self sufficient, smart women just like herself. Linds, the absolute best way you could honor your Mom is to continue in school. I have missed your daily phone calls. Please feel free to call me and talk about school, tests, anything. I know the bond you and your Mom have, and you are in for some tough times, but you also have alot of support from your family, friends and sorority sisters. It will get better. Love to you all, Cindy Peterman

Bren, How I miss you! Over the last 10 years, I saw a wonderful, beautiful person, who could be tough as nails, but yet as tender & kind hearted as any person could be. You were a loyal friend, a wonderful mother and daughter. Thank you for making me smile and laugh. I love you and miss you. We will meet again one day.

Brenda was a unique person! She would always make you laugh about something no matter what the conversation was. We shared a lot of funny stories, as well as our private conversations between us. You could say that Brenda was like a House Mother, she was always there to listen and give you advice! Brenda will be missed by so many, and will always be remembered! Our love and prayers to her family, Trisha, Trina, Lindsey and her grandkids!

I met Brenda almost 15 years ago, and what I can recall most about her is her spicy personality. I also got a chance to know another side of her, a very caring person. I admired her hard working attitude and dedication. When my pastor died, she asked me for a little book he wrote weeks before. It dealt with issues of life and death and how to be prepared for eternity. I believe Brenda was just getting ready. I am very honored that I met her and that I was able to work with her for those years of her life. I will miss you Miss Cleveland.
