Thank you Russ for your constant support of all the young Lady Zebras. In basketball when Mandy was feeling down and out from a game, you were there with encouraging words for her to keep trying. Then in the good times was "That's my girl". I will never forget you and Roger started yelling at the coaches "Put Mandy In" during every game. Thank You!! I know this is the time you have waited for, for a long time to be your sweetheart wife. Your stories of her were heartwarming. We will miss you, but also rejoice with you. Most of all THANK YOU and Roger for introducing me to the love of my life, Brian. Hugs and Kisses, Renee Hairston-Wilson
