I will miss my tall, quiet nephew. He was always a joy to me and Betty. I pray for the family that you will have the peace of God for this time. It won't be easy, but you will see him again. His life was filled with the love of God and it showed. I am here for you. Uncle Leon

To Geronda, Jo, Kevin, Katie and the rest of the family... I love you and am sorry that I could not be in attendance at the funeral. Terry was a very special cousin to me. His gentle voice long, strong arms consoled me many times. He always had kindness in everything he had to say. His laughter was quiet, but explosive and though he seemed very serious about things, he had his funny side. He usually was the one to tell the other cousins when to leave me alone. I have precious memories of him and will hold them dear to me and will share them with anyone who want to know more about Terry Gene Fuller, the man, the friend, my cousin. Love and Prayers to all of you! Dana

Heavenly Father, thank You for Terry and the life he has lived here for all who have loved him. We are all made to be reflectors of Your glory, each of us demonstrating some part of Your wonderful character! Please be with Terry's family, Geronda, Jo Renne, Kevin and the grandchildren. Please give them comfort at this loss and hope of a reunion in Christ on Your Blessed Day! We are here for only a short while in preparation for our time with You and each other in eternity. In You even our hard times are blessed and the wounds of Your discipline are a healing balm. How much greater are Your joys for us! We cry-out in our dependence upon You, God, Lord and Savior, Friend, and we surrender ourselves to You and accept Your pardon in Jesus, and we abandon ourselves to You to be made whole! This is the abundant life and it begins and never-ends with Your love for us, overflowing into our love for each other. Abba, dearest Father, Brother Jesus and Spirit, we lift Your Name high in Praise at what You have done and what You will do!
