God bless George's family. I am among many of George's coworkers at Carnation in Van Nuys, California who remember him as someone who made things a little brighter during the ups and downs of our lives and our careers. We will all miss him.

Dear Judi and family, I am so sorry for your loss. We know that he has gone to a much better place. I will always remember the days when George would pick me up to go to work in Van Nuys. We called it the "Chatsworth flyer", of course we were never quite sure we were going to make it because the car was in pretty bad shape. But, we usually made it with time to spare, with George telling funny stories the whole way! What great memories.

Judi & family, Our thoughts and prayers are with you during these hard times. It is not easy losing a loved one but we have to remember that they are now with the Lord resting in peace where it is so beautiful and no pain. I know George and my mom (Marie) are now angels watching over us. They will always be with us. Take care and God's strength be with you and your family.
