I want to send my Blessings to the entire family of Bea Fowler. I felt very privileged to have Bea as a dear friend to whom I met and enjoyed many years with at the Broken Arrow Senior Activity Center. She was a wonderful lady who would give you an ear when needed, a laugh, and her smile was enough to feel welcomed and loved by her. You could talk any subject from religion to Politics (she respected your opinion too!) I admired her for the ability to stand up for what she wanted, needed or believed in and I enjoyed listening to her. Her knowledge was great! I loved her simplicity to her decorations yet thought through with great pride. I enjoyed it when she and I would call each other with the 'BARGAIN' we found for the other! Bea gave me lots of 'food' for thought and enlightened me with her knowledge. I will miss talking with her but will hold on to the things she taught me, shared with me and most importantly her SMILE! I Can Not say "Good-Bye" but I can say "God Bless" as we will always be together through Him. May YOU EACH Prosper In God's Loving Hands Always.....'Rita' Belding

Bea was a fantastic lady. I enjoyed getting to know Bea as a neighbor, friend, working together on the Commons Board. I will miss her. My thoughts and prayers are with you as you go through this very difficult time.

I knew Bea in a work related way at the Commons but soon realized what a kind and genuine person she was. Many times people in retirement sit back and do little for others but Bea was not that way. I was always impressed by the way she handled her "Commons" duties in that she was FIRM but fair with all. It was a pleasure knowing her for the past 13 years. Sincerely, Bob Mcdaniel

Please accept my condolences on the loss of your sister/mother/grandmother. Bea served on the board of The Commons for a number of years and I enjoyed working with her in that capacity. She was very dedicated and committed to making our neighborhood a better place. She will be missed.

I am so glad that I had the privilege of knowing Bea through the Broken Arrow Senior Center. We always seemed to run into each other at Hobby Lobby and had a good laugh about our "shopping" time. She was loved and will be missed so much.
