Richard "Rick" Alan Shimer

MAR 2, 1946 - JUL 11, 2010

Rick was born on 3/2/46 in Altoona, PA, and went to be with his Lord on 7/11/10. He graduated from Bentley College (with a BS in Accounting) in 1978 and became a CPA in 1986. He recently retired from Integrated Service Company where he had served as a financial executive for several years. He was a Mason, a board member of the Oaks Indian Mission, and a member of the American Institute of Certified Public Accountants. He had a passion for flying. His current hobbies included golfing and hunting; past hobbies also included racquetball, skiing, scuba diving, playing softball, and refereeing soccer games. He is survived by his wife, Pam, of Owasso; children, Rick of Sacramento, CA and James of Willard, MO; grandchildren, Allison, Ethan, Trei, and one on the way. He is also survived by his siblings, Bill, Peggy, Kevin, and Russell. Rick had a big heart and loved deeply. He was full of compassion, and loved his Lord, Jesus, as well as his family, friends, Pastor, and church. We will miss him tremendously.

Dad, I don't know where to start. You were my best friend. You were always there for me. I think about you every day. You were the best man I'll ever know. You gave me love and warmth all the time. You made my light shine. I miss you so much. When my kids were born you could not wait to see them. I can remember the time you walked down my stairs holding both my kids and your smile was so bright it lit up my heart. When times were tough you made them better. The many trips we had were good because of you. I remember the times in Missouri floating on the raft, fishing, riding the mules and four wheelers, and much more. The days we went snow skiing and sitting in the hot tub afterwards. Being the coach of my soccer teams as a kid. I am so glad you were a part and an influence in my life. I am proud to bare your name and my son as well. I will never forget your kindness and unconditional love for me.

Shimer Family, Rick was a supportive boss and a nice person. He was rarely too busy to help answer any questions we had. Rick's love for his family was always apparent and he made no bones about you being the most important thing to him. He is missed by those of us who worked for him at InServ. You are in our prayers and thoughts as you go through this time. Please let us know if there is anything we can do to help you now or in the future. We are just phone call and a few miles away.

David and Kelli Krom Rick was more than a friend; he was a mentor and a hunting buddy and will be truly missed. When those we love have left this earth, we still can feel them near. We'll see a picture, hear a song, and it's just like they are here. And when we call upon our faith, when we believe and trust, we know the ones we care about are always close to us. Pam, You and your family are in my prayers, as I said on the card Rick was one of the good guys. From the very first day I started at InServ he treated me like I had been here forever and I haven't forgotten that. I thought the world of him and had very high respect for him. He never failed to ask me how my friend Max was doing with his cancer and I always thought that was so kind of him. Max also sends his condolences. Our thoughts and prayers are with you, take care.

I knew Rick for 30 years from our days together at Edgcomb Metals. He and I played racquetball together for about 10 years in the 80s and 90s until his arthritis prevented him from playing. He was a good man and very involved with his church and the Masons. Though we hadn't see each other socially for awhile, he was always in my thoughts, and will remain in my thoughts.
