I am so sorry to read about the Don's passing. I don't know if his wife Judy or his son Michael will read this but I am Don's biological daughter, he was married to Margaret Barriga when he was in the airforce stationed in Oregon in 1959. I have been trying to find him for quite sometime now as I wanted to meet him. I would really like to hear from Judy or Michael. Please contact me at burke\_s@att.net. Really look forward to hearing from you

To the Family of Don, my thoughts are with you at this time. I went to school with Don way back when – in the 1950's. We were friends. I am sorry for your loss.
