This man was a hypocritical, abusive, control freak who left nothing but pain in his path. He feigned spirituality, hiding behind pulpits while battering women behind closed doors. No love lost here.

May you burn in hell for your sins, you child molesting rapist piece of shit! You died a horrible death as a result of the lives you ruined because of your perversion. You deserved to have that rancid bitch wife make your last days even more miserable and painful than they already were. May the devil rape and cause you the amount of pain you caused your own flesh and blood! There is no forgiveness for you because you never made amends with those you harmed! BURN IN HELL!
