It would take another life time to go through the memories of Uncle Ralph. He was a kind and loving man who was always ready to listen if you had a need. There is such a deep void within me knowing I can no longer just pick up the phone or hop in the car. I am having a great deal of trouble dealing with that. But, he is now in a better place, and his father, mother, two brothers and many others were no doubt waiting to welcome him home. You left behind many people who will likely never be the same again. A Ralph Carlyle Burke only passes once in a lifetime. He will never be forgotten. Your Nephew Robert

Just learned of Ralph's passing. The memories are flooding back. He was such a wonderful person. He was our neighbor in Oologah, cut our hair, was godfather to our son Matt, and a running buddy for years. We thought he was IT and that's because he was! Incredibly smart and talented. There will never be another like him. RIP dear friend!

Most certainly Uncle Ralph was One in a Million! He gave me my first job at the shop (The Lemon Tree) with him on Sat mornings. He had a love of people all people and all walks of life. Forever in my heart until I see you again!!
