We will always have wonderful memories of your mom. Our one and only trip was to your parents place. We had a great time. Then when they came to Wisconsin to spend time with us here. We will always have those memories with us. I have enjoyed writing and then emailing back and forth over the many years that we have remained friends. You kids take care of each other, and remain a close family as she would want you all to be. Love Monica and Dick Bahr.
