We've been neighbors and I will miss seeing Jay out sitting on the back patio this Spring and Summer, putting out bird seed and watching Pixy and my dogs too. He was such a great guy and a very caring neighbor. He always wanted to know how I was before coming in to visit with him and Glenda. I would tell him that I was fine and he would then say, well come on in now. Always thinking of others first. He will be missed a lot. Aaron & Michelle Stenslie

Since we first met Jay many years ago, he was always so pleasant and a joy to be around. We are so thankful that he raised such a wonderful son who married our daughter.
