This Uncle of mine was so special to me. I really just dont know what to say. I remember when I was a kid and my Mom would be talking to him on the phone (we lived in California) my brother and sisters and I would beg to talk to him Although we lived so many miles apart, we always felt so close to him. Being my Mothers only sibling and seeing how much she loved him gave our hearts at a young age so much love for him too. He always made me happy when I got to spend time with him. I loved that he loved ice cream. Have some Brau.s ice cream in heaven with Jesus Uncle Tom. I love you and you surely will be missed. Love, Johnna

There have been few people in my life that I have looked up to. Uncle Tom was one of them. His love for his family, his open hand to his fellow man, his work ethics and the one true love of his life Aunt Deb. You two are and will be missed here in earth but we can be comforted knowing that we will see you guys again. I love you. Al
