She was my sweet friend the earth did not allow me to see with physical eyes. We shared a lot, though we had never met, she was closest to my heart. More than a sister to me, she would comfort me in and uplift my spirit. I called her my Angel sent from Heaven. My condolences to the family, I pray God gives you the strength to move on. And to Gina, I know you are in Heaven and I hope to find you there some day. I miss you everyday Gina, rest in peace.

To know Gina was to know love,kindness and the true meaning of friendship! I am so very Blessed to have had her in my life,to have the uncountable memories all our times together at KC,the laughs and great times we had which I will carry in my heart,forever! No matter who did or said what,she would always say with a smile..."That makes me mad,but,you gotta love em,anyway". This had such an impact on me and I still apply this in my life today! My friend,thank you for all you mean to me! I know Gina would tell her family she loved so deeply and all who know her to carry on her memory by living,loving laughing,being kind to animals and we will see her,again! Much love and Prayers to Scott,her children,grandchildren and family through this walk,you are never alone,for her love lives on! Sandy Douglas

I worked with Gina and she was by far my favorite pharmacist to call when I had questions. She was ALWAYS kind and took the time to answer my questions and assist me with my needs. I always enjoyed talking to her on the phone. She had a talent for caring for patients even though she may have never met them face to face. Nurses, like myself, already miss her presence here at work and we will always remember her as one of the 'Great Ones' and will never forget her.

For someone who was shy, she sure made a big impact. Gina had the faith of an evangelist and the sweetness of an angel. Talk about loving her animals, she could not get enough of them and it is so sad that she had just welcomed 25 new baby goats and had named them all sharing all the photos on Facebook. She was so looking forward to retirement, but for those of us who know where she now resides, we can't help but thank God she has definitely retired to a better place. Isaiah 57:1-2 -- Good people pass away; the godly often die before their time. But no one seems to care or wonder why. No one seems to understand that God is PROTECTING THEM FROM THE EVIL TO COME. 2 For those who follow godly paths will rest in peace when they die.

Gina loved you all with every ounce of her heart... and she had a very big heart. The world is a lot dimmer with out her in it. While never wanting to be cliché, to know Gina was to love her. Gina and I met in the early 70's while attending Wright Jr. High and there was a period of time we had no contact, as was the case for so many from that era. After reconnecting a number of years ago, it only reminded me what a truly magnificent human being she was then and continued to be. She truly loved and adored her family. Anyone that knew her, will attest to the feeling she gave all of us. So full of life and love, for her family, for her friends, her pets and for God. For all of Gina's family, I can't even begin to imagine the loss you are feeling right now. May God grant you the peace you so justly deserve at this moment in time and have comfort in knowing Gina stands within the warm embrace of her loving and almighty God. May the peace of the Lord be always with you. With love, Mike Perry

Gina and I had only met once or twice when my truck had been stolen. She jumped into high gear to arrange rides for me to get to work in the morning and my second job in the afternoon. She would pick me up in her blue Mini Cooper in the morning and we got to know each other during those rides! During this time, Scott had a dealership on 11th Street. Gina asked him if he would try to help find a place that would get me into a car(that I could afford...lol)! I am so grateful for the help you gave me...you took me on the faith of Gina!Everytime our group met, she sought me out and we sat together eating and catching up. We sent PMs to each other! She cared about me! I enjoyed learning the news of your family...the girls, the grands and the dogs (furbabies 🐶)! She invited me into your home 🏠. I met people through her. She was at the bar on girls nights 🍸. She egged me on to sing karaoke 🎤...I know the songs, but can't carry a tune 🎵 in a bucket!! will ALWAYS love Gina 💖 Even though my heart is broken 💔 I know that God 🙏 has a new 🧑🏻‍🦉 angel in His 🏠 home 🏡.
