We have lived next door to Debbie and BJ for the past 15 years. Our sincerest sympathy to Debbie, her children and grandchildren. They have been delightful neighbors and Watching Debbie working out in her Butterfly garden, I hope will bring her comfort and peace. Rest in Peace dear BJ and thank you sir, for your service to our country.. As a disabled veteran you deserved much more than you received in life and I am sorry for that. We will eternally be grateful that you served in Vietnam to keep us free. That was a tough war on the veterans and then they returned to an ungrateful nation. It's never too late to say we did appreciate all of the men and women that fought in Vietnam. Unfortunately, I had a brother in law that never forgot that war in his mind and committed suicide on Veterans Day in 2013 at the age of 68. You were very loved by your family and friends and will be deady missed.
