I was so sorry to hear that Jonathon had passed away much too young. He came to our school as a fifth grader and was never seen without a smile. He was a kind and caring friend to all and a very talented automobile repair student at Tulsa Tech. He made great grades and always gave his best. I wish his family the very best in the days and weeks to come, knowing that he is at peace and he loved them all dearly. Rest my friend. You are with God now and someday, we will all be together. Jonathon, you were loved and adored.
