Don was a very special guy. When my dad had to have dialysis every morning we would go he dropped off Sophie and I dropped off dad usually we'd talk some we had gone to same church AHBC for many years.He would huddle off usually to get to donut store when they opened took donuts to one and hot potato chips to the other grandson . I thought that was a strange breakfast but he said his grandson loved them. Three things I know for sure about Don is he knew the Lord Jesus as his Saviour ,loved his Sophie and family and loved his Thursday night prayer group of men!!! He touched my life and was always uplifting loved to joke with my dad!!Praying for Sophie and all of family!!Jacki Yager
